

NEOLINK GLOBAL ETHERNET SERVICE SCHEDULE

Liquid Telecom Offices

Mauritius (Head Office) • Botswana • DRC • Kenya • Lesotho • Rwanda • South Africa • Tanzania • Uganda • Zambia • UAE • UK

Liquid Telecom (Pty) Ltd. Registered Address: 401 Old Pretoria Main Road, Halfway House, Midrand 1685. Company Reg. No. 2004/004619/07.

1. APPLICABILITY

This Service Schedule is applicable only to the Customer Order Form (COF) for the purchase of NeoLink Global Services, which has been signed by the Customer and Liquid Telecom.

2. DEFINITIONS

- 2.1. Terms used herein but not otherwise defined shall have the same meanings ascribed to them in the Agreement.
- 2.2. Furthermore, except where the context indicates otherwise the words, terms and definition shall have the following meaning:
 - 2.2.1. “**CSRS**” means ‘Customer Site Requirements Specification’, a document that specifies the requirements at a Customer Site in order to enable Liquid Telecom to deliver the Service;
 - 2.2.2. “**Customer Site**” means the site owned or leased by the Customer or any other site used to provide the Service, which is directly connected to a PoP managed by Liquid Telecom, as set out in the COF;
 - 2.2.3. “**EASSy**” means Eastern Africa Submarine Cable System;
 - 2.2.4. “**IRU**” means Indefeasible Right of Use;
 - 2.2.5. “**Local Loop**” means the ‘last mile’ access link that connects the Customer Site to the nearest Liquid Telecom PoP;
 - 2.2.6. “**Planned Maintenance**” means any preventative, routine or scheduled maintenance which is performed with regard to the NeoLink Global Service, the Network, the off-net Network or any component thereof, reasonably believed to be necessary in order to increase capacity or to prevent or remedy a defect which may affect the Customer's use of or access to the Services;
 - 2.2.7. “**PoP**” in the context of this Service Schedule, means a point of presence specifically relating to the Liquid Telecom Network;
 - 2.2.8. “**Service Credits**” means service credits due to the Customer for unscheduled Service Downtime calculated in accordance with clause 9;
 - 2.2.9. “**Service Downtime**” means that period of time that the Service was unavailable to the Customer;
 - 2.2.10. “**Service Outage**” means an instance when the Customer is unable to route traffic to one or more Customer Sites via the Network, which results in Service Downtime;
 - 2.2.11. “**SAT-3**” means South Atlantic 3;
 - 2.2.12. “**SAFE**” means South Africa Far East;
 - 2.2.13. “**WACS**” means West Africa Cable System.

3. SERVICE DESCRIPTION

- 3.1. Neolink Global is a service that provides dedicated high-speed connectivity between South Africa and major international cities by providing an Ethernet Private Line (EPL) service in 300 locations in 200 countries on six continents.
- 3.2. The service is provided in an on-net environment via the SAT-3/SAFE cable systems for the UK and India circuits, and in an on-net environment via Liquid Telecom relationship with stakeholder Tata Communications, for delivery of services to other locations.

- 3.3. Neolink Global Ethernet Service is a dedicated Ethernet over SDH point-to-point full circuit between a site in South Africa and international location on the Tata Communications network.
- 3.4. Neolink Global Ethernet (GDE) supports the following speeds:
 - 3.4.1. Fast Ethernet (2 Mbp/s increments up to 100 Mbp/s)
 - 3.4.2. Gig Ethernet (50 Mbp/s increments up to 1GigE port)
 - 3.4.3. Neolink Global Ethernet Service is offered as an end to end service, including international last mile (complete point-to-point service).
 - 3.4.4. The service is delivered with Ethernet hand-off.

4. SERVICE LEVEL AGREEMENT

4.1. Protection:

4.1.1. Protected Service:

- 4.1.1.1. The protected service consists of a live path and a hot standby path
 - i. South Africa to London via SAT-3
 - ii. South Africa to India via SAFE
- 4.1.1.2. Wet portion protection switching within one (1) second.

Location A	Location B	Hot Standby Cable System	Protection path Switching	Availability SLA	
				Wet Segment	Last Mile
South Africa	London	SAT-3	Less than 1 second	99.5%	99.5%
South Africa	Mumbai	SAFE	Less than 1 second	99.5%	99.5%

4.1.2. Unprotected Service:

- 4.1.2.1. A linear service between two points on SAT-3 or SAFE cable systems.
- 4.1.2.2. No alternative fail-over route in the event of a cable break.
- 4.1.2.3. SLA does not cover cable breaks on the wet portion.
- 4.1.2.4. Customer's service shall be restored within six (6) to eight (8) weeks.

Location A	Location B	Primary Cable System	Hot Standby Cable System	Availability SLA	
				Wet Segment (exclude cable breaks on wet portion)	Last Mile
South Africa	London	SAT-3	None	99%	99%
South Africa	Mumbai	SAFE	None	99%	99%

- 4.2. The Neolink Global Ethernet service is procured as a lease option only with a minimum contract period of one year.

5. SERVICE CREDITS

- 5.1. Service credits shall be exclusive of any applicable taxes charged to the Customer or collected by Liquid Telecom.
- 5.2. Service Credit Calculation: $\text{Service Availability \% per service} = \frac{\text{TLU} - \text{RSD}}{\text{TLU}}$
- 5.3. where TLU = Total Service Uptime per month per service (minutes) = Number of days in month the service was provided x 24; and RSD = Reconciled Service Downtime per month per service (minutes).
- 5.4. In the event of a deficiency in the Service, the Customer shall contact the Enterprise Service Desk.
- 5.5. The granting of Service Credits is contingent upon the Customer having opened a trouble ticket with the Enterprise Service Desk.
- 5.6. All Service Credits shall be calculated based on the MRC for the affected port(s) during the relevant billing month and applied to the same affected port(s).
- 5.7. Service Credits – Unprotected Service:

Uptime	Service Credit (Percentage of MRC)
100% - 99.0%	0%
99.0% - 98.0%	5%
98.0% - 97.0%	10%
97.0% - 96.0%	15%
96.0% - 95.0%	20%
< 95.0%	25%

- 5.8. Service Credits – Protected Service:

Uptime	Service Credit (Percentage of MRC)
100% - 99.5%	0%
99.5% - 98.5%	5%
98.5% - 97.5%	10%
97.5% - 96.5%	15%
96.5% - 95.5%	20%
< 95.5%	25%

6. EXCHANGE RATE FLUCTUATIONS

- 6.1. For Charges for any element of the Service that is based on a foreign currency, the exchange rate to be used to determine a variation shall be the South African Rand / US Dollar exchange rate set

out in the relevant COF. In the event that the COF does not stipulate the exchange rate, then the exchange rate as downloaded by Liquid Telecom from Reuters on the morning of the date of signature by the Customer of the COF relevant COF shall be used.

- 6.2. Liquid Telecom shall be entitled to adjust the MRC in question in the event that the variance, when the exchange rate referred to in 6.1 above is compared against the exchange rate as downloaded by Liquid Telecom from Reuters on the morning of the relevant invoice generation date, is greater than 5% (5 percent).

7. EXCLUSIONS

- 7.1. The Customer shall not be entitled to:
 - 7.1.1. receive any Credits pursuant to the Customer Site unavailability, or
 - 7.1.2. exercise any right of termination for anything which is caused or is associated with, in whole or in part, the exclusions set out below:
 - 7.1.2.1. Construction of additional facilities which are required in order to connect the Customer Site to the Network and/or the Local Loop(s);
 - 7.1.2.2. Anything which is associated with or caused by Planned Maintenance events or cable cuts on the Network which are not otherwise due to the fault or negligence of Liquid Telecom;
 - 7.1.2.3. Anything attributable to circuits comprising a part of the Service that are provided by a third party, including Local Loops and local access facilities, provided that Liquid Telecom shall pass through to the Customer any Service Level Credits that it receives from the third party;
 - 7.1.2.4. Anything which is due to the Customer's use of bandwidth in excess of the committed bandwidth.
- 7.2. Service Downtime shall not include any unavailability resulting from:
 - 7.2.1. scheduled downtime for Planned Maintenance;
 - 7.2.2. interruptions or delays resulting from any third party services;
 - 7.2.3. any supplies, power, equipment or local access facilities provided by the Customer or their suppliers, which is required in the provision of the Services;
 - 7.2.4. any incident that affects the availability during any period when the Customer elects not to allow Planned Maintenance on the Service at the request of Liquid Telecom, acting reasonably;
 - 7.2.5. the Customer's applications, equipment, or facilities;
 - 7.2.6. interruptions due to the failure of equipment provided by the Customer or other third party on behalf of the Customer;
 - 7.2.7. acts or omissions of the Customer, its agents, contractors or vendors (including the provision of inaccurate information knowingly or unknowingly), or user of the Service or Customer-caused outages or disruptions;
 - 7.2.8. suspensions due to non-payment of any amount payable by the Customer to Liquid Telecom under this Schedule; or
 - 7.2.9. force majeure.

8. FAULT REPORTING

- 8.1. The Customer shall raise an outage trouble ticket with Liquid Telecom in the event of any Service outage detected at the Customer Site.
- 8.2. The logging of calls, queries and/or complaints shall be directed to the Enterprise Service Desk using any of the following:

Telephone No.	E-mail
+27 11 585 0652 (outside of South Africa) 080 11 11 636 (within South Africa only)	<u>EnterpriseService@Liquid Telecom.co.za</u>

- 8.3. Should a call logged in accordance with clause 8.2 not be handled to the reasonable satisfaction of the Customer, the Customer shall be entitled to direct their concerns to service.management@Liquid Telecom.co.za, which is managed during Business Hours.
- 8.4. In addition, the Customer shall be entitled to approach an assigned Liquid Telecom account manager if the feedback or progress on the outage resolution is not satisfactory.
- 8.5. Liquid Telecom shall use reasonable endeavours to provide a root cause analysis report regarding the cause of the Service Downtime and the preventive measures put in place in an effort to mitigate a reoccurrence thereof. Liquid Telecom shall use reasonable endeavours to perform the following actions and shall provide the reports (as applicable) detailed in the following table:

Fault Management and Reporting	Time Targets
Assignment of Customer Fault Reporting Trouble Ticket	Within 15 minutes of the notification of fault
Root Cause Analysis Report	On Request < Ten (10) business days
Regular problem status update	

9. SERVICE CREDIT REQUEST AND SETTLEMENT PROCEDURES

- 9.1. To initiate a claim for Service Credits with respect to the parameters defined above, the Customer shall submit a request in writing within thirty (30) days after the end of the month during which the event occurred which gave rise to the claim for Service Credit.
- 9.2. For purposes of calculating the Service Credit, the problem occurrence will be deemed to have commenced when the trouble ticket is lodged by the Customer with Liquid Telecom. If the Customer does not initiate a trouble ticket with Liquid Telecom, Liquid Telecom shall not be obligated to log a trouble ticket, and the Customer shall not be eligible to receive Service Credits for the non-compliance.
- 9.3. The duration of the Service Outage will be determined by the Parties, acting reasonably, based upon the Parties' internal records and Liquid Telecom's trouble ticket.
- 9.4. In no event shall the total amount of all Credits issued to the Customer per month exceed twenty five percent (25%) of the MRC invoiced to the Customer for the affected Service for that month.
- 9.5. Credits are calculated after the deduction of all discounts and other special pricing arrangements, and may not be applied to governmental fees, taxes, surcharges, local access charges or any other charges other than MRC.

- 9.6. Service Credits are processed quarterly and are passed as a credit against the Customer's next invoice. If Liquid Telecom approves the claim, Liquid Telecom shall notify the Customer of the value of Service Credits to which the Customer will be entitled.
- 9.7. Any Service Credits calculated on the basis of a month shall be calculated with regard to a month being deemed to begin at 12:00am S.A. Time on the first day of a calendar month, and ending at 11:59pm S.A. Time on the last day of the applicable calendar month.
- 9.8. Liquid Telecom's failure to achieve or maintain the above service objectives set out in this Service Schedule is not a breach of the Agreement, and the award of Service Credits shall be the Customer's sole remedy and Liquid Telecom's sole liability for any such failure or corresponding degradation, interruption or loss of Service.

10. SERVICE PROVISIONING

- 10.1. The Customer shall be responsible for making available, at no cost to Liquid Telecom, accommodation, power, space, including mast space, ducting and other facilities as may be more fully set out in the Customer Site requirements specification document provided by Liquid Telecom for each Customer Site, for the Contract Term of the applicable COF, for the purposes of housing Liquid Telecom's transmission equipment required for the provision of the Services to the Customer.
- 10.2. The Customer shall be responsible for obtaining all third party approvals and consents necessary for installation and use of the Services.
- 10.3. The Customer shall ensure that the Customer Sites at either end of a Service for which the request has been made are accessible at any reasonable time as may be required by Liquid Telecom to fulfil its obligations in terms hereof.
- 10.4. Within seventy-two (72) hours of completing the installation for the applicable Service, Liquid Telecom will provide a Service Handover Form containing essential information required to configure and use the Service as well as the Service Identity Number (Service ID). The Service ID should be used in all interactions with Liquid Telecom regarding the Service.
- 10.5. The Customer shall then conduct acceptance tests on the newly provided Service for a period of two (2) Business Days following receipt of the Service Handover Form.
- 10.6. Should the Customer detect a fault on the Service during these acceptance tests, then the Customer shall notify Liquid Telecom of such fault in writing.
- 10.7. The Customer may only reject a Service on the basis that the agreed technical specifications as set forth in the Service configuration diagram in the COF for the Service have not been met. If the Customer notifies Liquid Telecom of its non-acceptance, further tests of the Service shall be conducted and a revised Service Handover Form shall be provided to the Customer.
- 10.8. The Service shall be deemed accepted by the Customer if no objection has been raised by the Customer within two (2) Business Days following receipt of the Service Handover Form.

11. CUSTOMER REQUESTED CHANGES AND SCHEDULED MAINTENANCE

- 11.1. Liquid Telecom shall use reasonable endeavours to perform any agreed change as per agreed specifications required for the Customer Site as per the below specified target timelines. The Customer must raise a change request stating the reason for the change, the type of change (Critical/Normal as defined by the Customer) and the impact on its Customer Sites. The change request shall follow the normal change management process as communicated from Liquid Telecom to the Customer from time to time and the below commitments are applicable only for Class C type changes (as defined in the following table) excluding any impact analysis:

Level of Change	Description of Changes Required
Class A	<ul style="list-style-type: none"> • New installation of equipment • New link installation or shifting of circuit to new Customer Site. • Hardware upgrade in existing equipment • Link addition or termination to existing Customer Site.
Class B	<ul style="list-style-type: none"> • Shifting of physical termination point of existing circuit, and does not require new equipment or new circuit installation. • Bandwidth soft up-gradation/down-gradation.
Class C	<ul style="list-style-type: none"> • Changes that are not specified in Class A and Class B.

- 11.2. The Customer hereby understands and agrees that any change requests mentioned above in Class A and Class B are Service affecting in nature. Hence, the Customer understands and agrees that the Service can be unavailable for a minimum period of two (2) hours during the implementation of any such change requests. The time and date of the Service Downtime shall be discussed between the Parties. In any case, the Service Level targets set out in this Service Schedule shall not be applicable during any such change request implementation and as such, Liquid Telecom cannot be held responsible for any damages or losses which may occur during such implementation time.
- 11.3. Planned Maintenance which falls outside the scheduled maintenance window will be arranged with the Customer at least forty-eight (48) hours before the Planned Maintenance commences.
- 11.4. At no time shall Planned Maintenance events which may cause a Service Outage be performed simultaneously on two (2) diverse circuit paths that carry the same Customer Service.
- 11.5. Liquid Telecom is not responsible for any breach of rights which may be related to any Customer transmitted or received content that has been carried on the Liquid Telecom Network and the Customer agrees that Liquid Telecom can view the content to identify Service related issues.

12. CONTENT REGULATORY COMPLIANCE

- 12.1. The Customer hereby agrees that the relevant permissions, approvals, licenses and/or related consents that may be required by the relevant government authority of the source and/or destination country/ies shall be obtained, as applicable, as per the local laws in such country and a copy of such permissions, approvals, licenses and/or related consents shall be available for inspection by Liquid Telecom prior to the commissioning of the Service.
- 12.2. In the event that the Customer is sourcing content from a third party in relation to the Service, the Customer shall be responsible for providing the permissions, approvals, licenses and/or related consents of such third party. The Customer further indemnifies Liquid Telecom from any costs, damages and/or penalties caused due to any non-compliance with this provision.
- 12.3. The Customer authorizes Liquid Telecom to monitor the Service at Liquid Telecom's Network Operating Centre facilities.

13. SERVICE TERMINATIONS – EARLY TERMINATION COSTS

Notwithstanding any early termination provisions set out in the Agreement, the termination fee for the Terminating Services which are specified as Customer Specific Services in the relevant COF or where the Service either originates from or terminates at an international location shall be calculated as at the Termination Date and shall be equal to 100% of the MRC for the remainder of the Contract Term thereof.
