Liquid Telecom Offices

Mauritius (Head Office) • Botswana • DRC • Kenya • Lesotho • Rwanda • South Africa • Tanzania • Uganda • Zambia • UAE • UK

Liquid Telecommunications South Africa (Pty) Ltd. Registered Address: 401 Old Pretoria Main Road, Halfway House, Midrand 1685. Company Reg. No. 2004/004619/07.

1 APPLICABILITY

This Service Schedule is applicable only to the COF for the purchase of Mail Guard, Web Guard and Mail Archiving Services, to the extent selected in the relevant COF, which has been signed by the Customer and Liquid Telecom.

2 DEFINITIONS

2.1 Terms used herein but not otherwise defined shall have the meanings ascribed to them in the Agreement.

2.2 For the purposes of this Schedule, the following expressions shall have the meanings given to them hereunder:

2.2.1 “**DNS**” means Domain Name System or Server;

2.2.2 “**Measurement Period**” means a calendar month;

2.2.3 “**Planned Maintenance**” means any preventative, routine or scheduled maintenance which is performed with regard to the Service, the Data Centres, the Network, the off-net Network or any component thereof, reasonably believed to be necessary in order increase capacity or to prevent or remedy a defect which may affect the Customer's use of or access to the Services;

2.2.4 “**RCA**” means Root Cause Analysis;

2.2.5 “**Service Credits**” means the credits due to the Customer for unscheduled Service Downtime calculated in accordance with clause 8;

2.2.6 “**Service Downtime**” means the amount of time the Service was unavailable;

2.2.7 “**Service Element/s**” means each of the Services listed in clause 3.1, to the extent ordered in the relevant COF;

2.2.8 “**Service Outage**” means an instance when the Customer is unable to route traffic to one or more Customer Sites via the Network, which results in Service Downtime;

2.2.9 “**Service Hours**” means the hours between 08:00am and 17:00pm on any Business Day;

2.2.10 “**System**” means the combination of Network, server systems and dedicated appliances used by Liquid Telecom to deliver the Mail Guard, Web Guard and Mail Archiving Services to the Customer.

3 SERVICE DESCRIPTION

3.1 For purposes of this Service Schedule, the term “Services” consists of the following, to the extent selected in the relevant COF:

3.1.1 Mail Guard;

3.1.2 Web Guard; and/or

3.1.3 Mail Archiving.

3.2 *Mail Guard*

Section 1.01 The Mail Guard Service is an email filtering solution that scans Customer emails to detect SPAM, viruses and unwanted content. Depending on the type of Mail Guard Service ordered, the solution may combine any combination of SPAM, virus and content scanning.

3.3 *Web Guard*

Section 1.02 The Web Guard Service provides a web content filtering system to the Customer. Based on pre-defined Customer rules and user segmentation, the system will block user access to selected web content.

3.4 *Mail Archiving*

Section 1.03 Mail Archiving offers an e-mail archiving service to customers, creating a historical archiving of email sent in, out and intra-organisation, depending on the Customer configuration. Access to the archived email is via Outlook or Web interfaces.

4 SERVICE LEVELS

4.1 The Service Levels and the associated Service Credits are as outlined below. Service Credits shall be calculated separately for each of the Services listed in clause 3.1 (“Service Element/s”).

4.2 *Service Credits*

4.2.1 Liquid Telecom shall calculate, for each Measurement Period, the amount of time the relevant Service Element was unavailable. The duration of such Service Downtime shall be used to determine any Service Credits to which the Customer may be entitled.

4.2.2 Service availability shall be measured as a percentage of the availability of the relevant Service Element in each Measurement Period.

4.2.3 Service Credit calculation: $\text{Service Availability \%} = \frac{\text{Service Period} - \text{Service Downtime}}{\text{Service Period}}$

Service Availability (Uptime)	Service Credit (Percentage of MRC*)
99.0%	0%
< 99.0% - 98.0%	5%
< 98.0% - 97.0%	10%
< 97.0% - 96.0%	15%
< 96.0% - 95.0%	20%
< 95.0%	25%

* The MRC used for the purposes of the Service Credit calculation, shall be the MRC charges, as listed in the relevant COF for the Service Element in question.

4.3 In those instances where Liquid Telecom fails to meet the committed Service availability target and a trouble ticket was opened with respect to the Service Downtime, the Customer shall be eligible for Service Credits as described in the table above. The Service Credits shall be given in the form of a credit against the MRC reflected on the Customer invoice.

5 EXCHANGE RATE FLUCTUATIONS

5.1 For Charges for any element of the Service that is based on a foreign currency, the exchange rate to be used to determine a variation shall be the South African Rand / US Dollar exchange rate set out in the relevant COF. In the event that the COF does not stipulate the exchange rate, then the exchange rate as downloaded by Liquid Telecom from Reuters on the morning of the date of signature by the Customer of the COF relevant COF shall be used.

5.2 Liquid Telecom shall be entitled to adjust the MRC in question in the event that the variance, when the exchange rate referred to in 5.1 above is compared against the exchange rate as downloaded by Liquid Telecom from Reuters on the morning of the relevant invoice generation date, is greater than 5% (5 percent).

6 EXCLUSIONS

- 6.1 The Customer shall not be entitled to receive any Service Credits or exercise any right of termination for anything which is caused or is associated with, in whole or in part, the exclusions set out below:
- 6.1.1 anything which is associated with or caused by Planned Maintenance events or cable cuts on the Network which are not otherwise due to the fault or negligence of Liquid Telecom;
 - 6.1.2 anything which is associated with or caused by interruptions or delays of any other Service procured from Liquid Telecom by the Customer, and as a consequence of such interruption or delay, the Customer is entitled to a service credit from Liquid Telecom; or
 - 6.1.3 anything attributable to circuits comprising a part of the Service that are provided by a third party, including Local Loops and local access facilities procured by the Customer.
- 6.2 Service Downtime shall not include any unavailability resulting from:
- 6.2.1 scheduled downtime for Planned Maintenance;
 - 6.2.2 interruptions or delays resulting from any third party services procured by the Customer;
 - 6.2.3 any supplies, power, equipment or local access facilities provided by the Customer or their suppliers, which is required in the provision of the Services;
 - 6.2.4 any incident that affects the availability during any period when the Customer elects not to allow Planned Maintenance on the Service at the request of Liquid Telecom, acting reasonably;
 - 6.2.5 the Customer's applications, equipment, or facilities;
 - 6.2.6 interruptions due to the failure of equipment provided by the Customer or other third party on behalf of the Customer;
 - 6.2.7 acts or omissions of the Customer, its agents, contractors or vendors (including the provision of inaccurate information knowingly or unknowingly), or user of the Service or Customer-caused outages or disruptions;
 - 6.2.8 suspensions due to non-payment of any amount payable by the Customer to Liquid Telecom under this Schedule; or
 - 6.2.9 force majeure.

7 FAULT REPORTING

7.1 The Customer shall raise an outage trouble ticket with Liquid Telecom in the event of any Service outage detected at the Customer Site.

7.2 The logging of calls, queries and/or complaints shall be directed to the Enterprise Service Desk using any of the following:

TELEPHONE NO.	E-MAIL
+27 11 585 0652 (outside of South Africa) 080 11 11 636 (within South Africa only)	EnterpriseService@liquidtelecom.co.za

7.3 Should a call logged in accordance with clause 7.2 not be handled to the reasonable satisfaction of the Customer, the Customer shall be entitled to direct their concerns to service.management@liquidtelecom.co.za, which is managed during Business Hours.

7.4 In addition, the Customer shall be entitled to approach an assigned Liquid Telecom account manager if the feedback or progress on the outage resolution is not satisfactory.

7.5 Liquid Telecom shall use reasonable endeavours to provide a root cause analysis report regarding the cause of the Service Downtime and the preventive measures put in place in an effort to mitigate a reoccurrence thereof. Liquid Telecom shall use reasonable endeavours to perform the following actions and shall provide the reports (as applicable) detailed in the following table:

FAULT MANAGEMENT AND REPORTING	TIME TARGETS
Assignment of Customer Fault Reporting Trouble Ticket	Within 15 minutes of the notification of fault
Root Cause Analysis Report	On Request < Ten (10) business days
Regular problem status update	

7.6 In the event that Liquid Telecom attends to a Service fault and/or Service outage (“Fault”) reported by the Customer, and Liquid Telecom subsequently establishes that the Fault was not due to any fault on the Liquid Telecom Network and/or Liquid Telecom infrastructure deployed in the delivery of the Service, Liquid Telecom shall have the right to charge the Customer for the time and materials and/or travel costs associated with attending to the Fault at Liquid Telecom’s current standard rates and charges at the time of the incident.

8 SERVICE CREDIT REQUEST AND SETTLEMENT PROCEDURES

- 8.1 To initiate a claim for Service Credits with respect to the parameters defined above, the Customer shall submit a request in writing within thirty days after the end of the month during which the event occurred which gave rise to the claim for Service Credit.
- 8.2 For purposes of calculating the Service Credit, the problem occurrence will be deemed to have commenced when the trouble ticket is lodged by the Customer with Liquid Telecom. If the Customer does not initiate a trouble ticket with Liquid Telecom, Liquid Telecom shall not be obligated to log a trouble ticket, and the Customer shall not be eligible to receive Service Credits for the non-compliance.
- 8.3 The duration of the Service Outage will be determined by the Parties, acting reasonably, based upon the Parties' internal records and Liquid Telecom's trouble ticket.
- 8.4 In no event shall the total amount of all Credits issued to the Customer per month exceed twenty five percent (25%) of the MRC invoiced to the Customer for the affected Service for that month.
- 8.5 Credits are calculated after the deduction of all discounts and other special pricing arrangements, and may not be applied to governmental fees, taxes, surcharges, local access charges or any other charges other than MRC.
- 8.6 Service Credits are processed quarterly and are passed as a credit against the Customer's next invoice. If Liquid Telecom approves the claim, Liquid Telecom shall notify the Customer of the value of Service Credits to which the Customer will be entitled.
- 8.7 Any Service Credits calculated on the basis of a month shall be calculated with regard to a month being deemed to begin at 12:00am S.A. Time on the first day of a calendar month, and ending at 11:59pm S.A. Time on the last day of the applicable calendar month.
- 8.8 Liquid Telecom's failure to achieve or maintain the above service objectives set out in this Service Schedule is not a breach of the Agreement, and the award of Service Credits shall be the Customer's sole remedy and Liquid Telecom's sole liability for any such failure or corresponding degradation, interruption or loss of Service.

9 SERVICE PROVISIONING

- 9.1 The Customer shall be responsible for making available, at no cost to Liquid Telecom, accommodation, power, space, including mast space, ducting and other facilities as may be more

fully set out in the CSRS document for each Customer Site, for the Contract Term of the applicable COF, for the purposes of housing Liquid Telecom's equipment required for the provision of the Services to the Customer.

- 9.2 The Customer shall be responsible for obtaining all third party approvals and consents necessary for the implementation and use of the Services.
- 9.3 The Customer shall ensure that all necessary Customer controlled server system changes and configurations are completed as may be required by Liquid Telecom to fulfil its obligations in terms hereof.
- 9.4 Within seventy two (72) hours of completing the implementation for the applicable Service, Liquid Telecom will provide a Service Handover Form containing essential information required to configure and use the Service as well as the Service Identity Number ("Service ID"). The Service ID should be used in all interactions with Liquid Telecom regarding the Service.
- 9.5 The Customer shall then conduct acceptance tests on the newly provided Service for a period of two (2) Business Days following receipt of the Service Handover Form.
- 9.6 Should the Customer detect a fault on the Service during these acceptance tests, then the Customer shall notify Liquid Telecom of such fault in writing.
- 9.7 The Customer may only reject a Service on the basis that the agreed technical specifications as set forth in the Service configuration diagram in the COF for the Service have not been met. If the Customer notifies Liquid Telecom of its non-acceptance, further tests of the Service shall be conducted and a revised Service Handover Form shall be provided to the Customer.
- 9.8 The Service shall be deemed accepted by the Customer if no objection has been raised by the Customer within two (2) Business Days following receipt of the SHF.

10 CUSTOMER REQUESTED CHANGES AND PLANNED MAINTENANCE

- 10.1 Liquid Telecom shall use reasonable endeavours to perform any agreed change as per agreed specifications as per the below specified target timelines. The Customer must raise a change request stating the reason for the change, the type of change (Critical/Normal as defined by the Customer) and the impact on its Customer Sites. The change request shall follow the normal change management process as communicated from Liquid Telecom to the Customer from time to time and the below commitments are applicable only for Class C type changes (as defined in the following table) excluding any impact analysis:

LEVEL OF CHANGE	DESCRIPTION OF CHANGES REQUIRED
Class A	<ul style="list-style-type: none"> • Changes to DNS entries • Changes to email routing • Changes to VPNs • Changes to proxy settings and configuration files
Class B	<ul style="list-style-type: none"> • Changes to configuration rules • Changes to authentication schemas and systems
Class C	<ul style="list-style-type: none"> • Changes that are not specified in Class A and Class B.

10.2 The Customer hereby understands and agrees that any change requests mentioned above in Class A and Class B are Service affecting in nature. Hence, the Customer understands and agrees that the Service can be unavailable for a minimum period of two (2) hours during the implementation of any such change requests. The time and date of the Service Downtime shall be discussed between the Parties. In any case, the Service Level targets set out in this Service Schedule shall not be applicable during any such change request implementation and as such, Liquid Telecom cannot be held responsible for any damages or losses which may occur during such implementation time.

10.3 Planned Maintenance which falls outside the scheduled maintenance window will be arranged with the Customer at least forty eight (48) hours before the Planned Maintenance commences.

10.4 Liquid Telecom is not responsible for any breach of rights which may be related to any Customer transmitted or received content that has been carried on the Liquid Telecom Network and the Customer agrees that Liquid Telecom can view the content to identify Service related issues.

11 CONTENT REGULATORY COMPLIANCE

11.1 The Customer hereby agrees that the relevant permissions, approvals, licenses and/or related consents that may be required by the relevant government authority of the source and/or destination country/ies shall be obtained, as applicable, as per the local laws in such country and a copy of such permissions, approvals, licenses and/or related consents shall be available for inspection by Liquid Telecom prior to the commissioning of the Service.

11.2 In the event that the Customer is sourcing content from a third party in relation to the Service, the Customer shall be responsible for providing the permissions, approvals, licenses and/or related consents of such third party. The Customer further indemnifies Liquid Telecom from any costs, damages and/or penalties caused due to any non-compliance with this provision.

11.3 The Customer authorizes Liquid Telecom to monitor the Service at Liquid Telecom’s Network Operating Centre facilities.

12 SERVICE TERMINATIONS – EARLY TERMINATION COSTS

- 12.1 Notwithstanding any early termination provisions set out in the Agreement, the termination fee for the Terminating Services which are specified as Customer Specific Services in the relevant COF or where the Service either originates from or terminates at an international location shall be calculated as at the Termination Date and shall be equal to 100% of the MRC for the remainder of the Contract Term thereof.
